Right click on y axis > Format axis > Units > Major

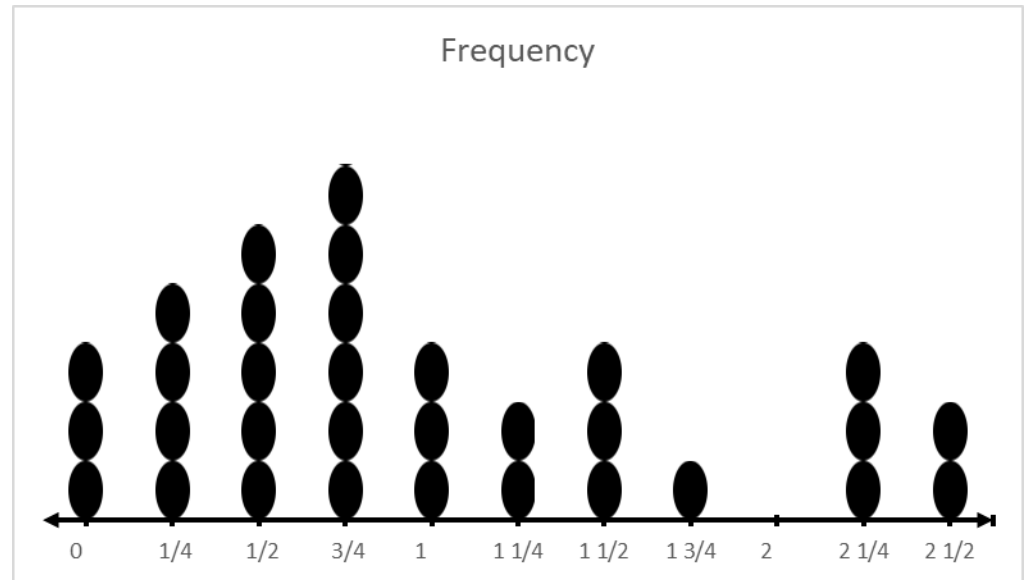

# Line Plot

# Picture Graph

# Dot Plot

Insert data  
in Excel

Insert >  
Scatter

Right click  
on chart >  
Change  
Chart Type  
> Bar  
Graph

Design >  
Add Chart  
Element >  
Axis Titles

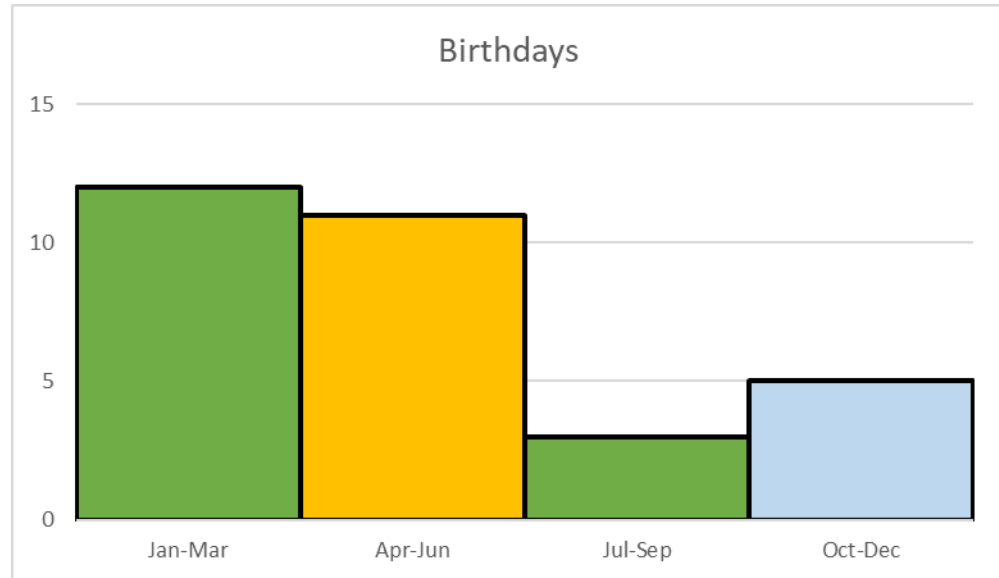

Save  
clipart of  
"dot"

Click bar >  
right click  
> Format  
Data  
Series >  
Fill & Line  
> Fill >  
Picture or  
texture fill  
> Insert  
picture  
from file >  
Stack and  
scale with

Click on x  
axis >  
right click  
> Format  
axis > Fill  
& Line >  
Solid Line  
> Black >  
Width >  
Begin  
Arrow  
type >  
End Arrow  
type

Click on x  
axis >  
right click  
> Format  
axis > Tick  
Marks >  
Minor  
Type >  
Cross

# Histogram
